SIEMENS

Welcome... to the first of a series of training recordings. Other recordings will cover specific topics covered in the overview. Lets get started!

I want to ask you a question. Have you noticed new demands of you in your work environment? People out, demanding customers and less time?

POD – Projects on Demand

How do you provide services to customers in a changing world? **SIEMENS** has a way to answer the demands of today's market.

POD

Get your quote "Price Approved" and then you can order "qualified" products in three ways to get material to your customer. ***FAST!***

- ✓ **Standard Fulfillment**: Enter the order the same way as usual.
- ✓ **Channel Partner Stock**: Ship from stock and receive credit for the difference between into stock price and approved price.
- ✓ **UNPB From Siemens DC**: Get material shipped from the distribution center at the approved price.

Users can select any Fulfillment for any line!

POD is a **WIN-WIN**.
