SIEMENS

UNPB From Siemens DC

“UNPB from Siemens DC” selection allows a user to order qualified products from the Distribution Center at the approved price. Before applying, go to I Mall to confirm available DC stock. (COMPAS Go DC Stock Check will be available in a future release)

A screenshot of a software dialog box titled "Step 1: Fulfillment". It contains three radio button options: "Standard Fulfillment", "Channel Partner Stock", and "UNPB from Siemens DC". The "UNPB from Siemens DC" option is selected and highlighted with a red rectangular box. At the bottom right of the dialog is a blue button labeled "Apply Fulfillment".

POD allows users to order P1 panelboard components from the Siemens Distribution center. This process will convert the qualified P1 panelboard into catalog numbers. The Fulfillment line will change to UNPB from Siemens DC. All materials for this panelboard(s) will come from the Distribution Center.

POD – UNPB From Siemens DC

The screenshot shows the COMPAS POD interface with the 'Shipping' step selected. The 'Fulfillment' section has 'UNPB from Siemens DC' selected. Below, a table lists product lines with checkboxes for selection.

Line#	Product Id	Class	Designation	Description	Qty	Req Ship Date	Std Lead Time	Fulfillment	Status	Type	Ship To Address	Schedule
